This month's quotes are all about "*Patience*". I hope you will find them inspirational and helpful!

"Never cut a tree down in the wintertime. Never make a negative decision in the low time. Never make your most important decisions when you are in your worst moods. Wait. Be patient. The storm will pass. The spring will come."

—Robert H. Schuller

"The Scriptures contain many stories of people who waited years or even decades before the Lord's promises came to pass. What modern believers can learn from the patience of biblical saints like Abraham, Joseph, David, and Paul is that waiting upon the Lord has eternal rewards."

—Charles Stanley

"This is me, a sinner on whom the Lord has turned his gaze. And this is what I said when they asked me if I would accept my election as pontiff. I am a sinner, but I trust in the infinite mercy and patience of our Lord Jesus Christ, and I accept in a spirit of penance."

—Pope Francis

"Patience is not passive waiting. Patience is active acceptance of the process required to attain your goals and dreams."

—Ray Davis

"He that can have patience can have what he will."

—Benjamin Franklin

"When you have a dream that you can't let go of, trust your instincts and pursue it. But remember: Real dreams take work. They take patience, and sometimes they require you to dig down very deep. Be sure you're willing to do that."

—Harvey Mackay

"Work hard. And have patience. Because no matter who you are, you're going to get

hurt in your career and you have to be patient to get through the injuries.”

—Randy Johnson

“Patience is bitter, but its fruit is sweet.”

—Aristotle

“Even a happy life cannot be without a measure of darkness, and the word happy would lose its meaning if it were not balanced by sadness. It is far better take things as they come along with patience and equanimity.”

—Carl Jung

“Patience doesn’t mean making a pact with the devil of denial, ignoring our emotions and aspirations. It means being wholeheartedly engaged in the process that’s unfolding, rather than ripping open a budding flower or demanding a caterpillar hurry up and get that chrysalis stage over with.”

—Sharon Salzberg

“I believe that a trusting attitude and a patient attitude go hand in hand. You see, when you let go and learn to trust God, it releases joy in your life. And when you trust God, you’re able to be more patient. Patience is not just about waiting for something...it’s about how you wait, or your attitude while waiting.”

—Joyce Meyer

“How many a man has thrown up his hands at a time when a little more effort, a little more patience would have achieved success.”

—Elbert Hubbard

“There is no road too long to the man who advances deliberately and without undue haste; there are no honors too distant to the man who prepares himself for them with patience.”

—Jean de la Bruyere

“Patience is the ability to idle your motor when you feel like stripping your gears.”

—Barbara Johnson
