This month's quotes are all about Peace and Love. I hope you will find them inspirational and helpful!

"Peace must first be developed within an individual. And I believe that love, compassion, and altruism are the fundamental basis for peace. This atmosphere can be expanded and extended from the individual to his family, from the family to the community and eventually to the whole world."

—The Dalai Lama

—Marcus Aurelius

"Peace is not the absence of conflict, but the presence of God no matter what the conflict."

—Anonymous

"Being deeply loved by someone gives you strength, while loving someone deeply gives you courage."

—Lao Tzu

"It isn't enough to talk about peace. One must believe in it. And it isn't enough to believe in it. One must work for it."

—Eleanor Roosevelt

"One day we must come to see that peace is not merely a distant goal we seek, but that it is a means by which we arrive at that goal. We must pursue peaceful ends through peaceful means."

—Martin Luther King, Jr.

"Love begins at home; love lives in the homes, and that is why there is so much suffering and so much unhappiness in the world today...Everybody today seems to be in such a terrible rush, anxious for greater developments and greater riches and so on, so that children have very little time for their parents. Parents have very little time for each other, and in the home begins the disruption of the peace of the world."

—Mother Teresa

"Imagine all the people living live in Peace. You may say that I'm a dreamer, but I'm not the only one. I hope someday you'll join us, and the world will live as One."

—John Lennon
